

JUMM'AH (FRIDAY CONGREGATIONAL) PRAYER

THIS UNION NOTES:

1. Jumm'ah (Friday) Prayer is a compulsory congregational prayer for Muslims and must be performed.
2. The prayer takes place every Friday, during the early afternoon
3. During examination periods it becomes very difficult for Muslim students to observe this religious obligation due to examinations being held during the same time
4. There is a high percentage of Muslim students here at the university
5. Muslim students have already brought this matter up with the university
6. The university appreciates this matter and is prepared to consider the request

THIS UNION BELIEVES:

1. That every step needs to be taken to encourage diversity and accommodate student needs
2. No student should be discriminated regardless of their religious or philosophical belief

THIS UNION RESOLVES:

1. To ensure that this matter is taken forward formally to the university and examinations are rescheduled during Friday afternoons during examination periods
2. To ensure this is implemented throughout the university without variation
3. That examinations between 12:30pm and 2:30 hours be rescheduled on a Friday afternoon, during examination periods, to allow the observance of this religious obligation
