

Amendment to Constitution removing voting right for Executive Officers.

This Union notes

1. That in the recently proposed constitution that it was unusual to included executive officers with voting rights at council
2. That the General Meeting on the 27-9-07 ratified the constitution indicatively on the understand that this would be removed.

This Union believes

1. That it was a mistake to included executive members with voting rights.
2. That the council is the body to direct executive and to hold to account the work plan which council should set, this cant be done effectively with executive officers voting on council

This Union resolves

1. To delete all in the **8.1 v** and **8.1 vi** of the revised constitution.
2. To insert:
 - **8.2 iv** Union Sabbatical Officers (Elected full-time, paid executive officers)
 - **8.2 v** Union Non-Sabbatical Officers (Elected part-time, un-paid executive officers)
